Benefits of Hi-Tech Green House at a glance -

Maharana Pratap Horticultural University have four Hi-Tech Green Houses for Vegetable Seedlings production at various Research Centres namely – Anjanthali (Karnal), Murthal (Sonipat), Raiya (Jhajjar) and Badhana (Jind) with 2000 Sq Mtr each with fan pad system. The irrigation system is fitted with boom irrigation in addition, sprinkler system is also there. During extreme cold conditions, option of heating of Green House is also there.

MHU aims to run above mentioned Green Houses in Public Private Partnership (PPP) mode. To meet the above purpose, interested participants may make a presentation, on the basis of which the Competent Authority will short list the EOI.
